Sport Report

Last week 4 girls from Nemingha played for North West in Girls Cricket. All 4 girls had a fantastic time and helped North West to 6th place in the state in this competition. A quick run down of the highlights for the girls included Lara Graham bowling well throughout the whole tournament, Safia Arranz taking 5 catches, Jessie O’Mally consistently scoring runs and Jasmine Shumack wicket keeping well and getting several dismissals. From all reports the girls were outstanding representatives for our school and themselves. Congratulations girls.

Looking ahead to presentation night and the Sportsperson of the Year awards. I would like to ask parents and students to put together a list of all sports in which they have represented Nemingha, Zone and Region during this year. This is to cross reference with our lists so we can be sure we have not missed any representations. Students are required to provide these lists to Mr Lewis by Thursday the 14th November.

Alternatively parents can email their list direct to Mr Lewis at david.c.lewis@det.nsw.edu.au

Head Lice

Please be aware that lately we have been experiencing an outbreak of head lice. Please check your children’s hair thoroughly and treat immediately with products available from the chemist if you find any evidence of lice or eggs.

Constant scratching of the head is a good indicator that your child might be suffering an infestation.
