ROAD SAFETY

Please take care each afternoon and morning when picking up and delivering students. Please find the following excerpt from the RTA

**NSW RTA Parking Law Changes**

*From the 1st of December 2008 the NSW Roads and Traffic Authority passed a law pertaining to all No Standing Areas.*

**RTA Website**

*Changes to parking laws effective 1 December 2008*

From 1 December 2008 all ‘No Standing’ zones will become ‘No Stopping’ zones

NSW parking laws are changing from 1 December 2008. To bring our system into line with the Australian Road Rules, all ‘No Standing’ zones are being removed. ‘No Standing’ zones will become ‘No Stopping’ zones.

This means that even in instances where the sign has not yet been changed, the rules for ‘No Stopping’ apply and a $199 fine will be incurred for any violation. If, however, you stop in a ‘No Stopping’ zone that is in an operating school zone the fine is $243 and 2 demerit points.

‘No Parking’ and ‘Loading Zone’ rules remain unchanged.

*No Stopping* = You may not stop your vehicle for any reason.

*No Parking* = You may not stop for longer than 2 minutes and only to drop off or pick up passengers or goods (i.e. you must remain within 3 metres of your vehicle).

Teachers do their best to be on time (3.20 pm) each afternoon for pick ups. With many little students with many little bits and pieces to collect, it can sometimes mean we are a few minutes longer. If you are coming in to pick up your children make sure you are parked in the car park. I know it can be difficult to get a park and ask everyone to be mindful of the issue. The last thing we want is for one of our precious children to be injured.

SUPERVISION BEFORE AND AFTER SCHOOL

Parents are reminded that teachers are on duty from 8.50 am until 3.50 pm. Teachers on bus duty remain on duty until the last bus leaves.

**CONGRATULATIONS TO OUR ZONE SWIMMERS AND OUR BOY’S CRICKET TEAM—SEE MR LEWIS’ REPORT FOR ALL THE DETAILS.**

Have a lovely weekend,

Kerrel
Nemingha was very successful at the Zone Swimming Carnival last Friday at Scully Park pool. We were successful in winning the "B" Schools trophy for best performed school and had 12 students selected to represent Tamworth Zone at the Regional swimming trials on the 10th March in Armidale. We wish all the students the best of luck in their events and I will keep you posted on which of our students are successful in gaining Regional selection.

Below is a photo of all our Tamworth Zone representatives with the "B" schools trophy we won on Friday.

Yesterday, Thursday 27th February, Nemingha boys travelled to Manilla for the Open Boys State Cricket Knockout competition. We had a very successful day bowling Manilla out for 40 and getting the runs in 4 overs.

All the boys performed very well with the following standout performances.

Thomas Hailing 29 not out and 2/1 off 3 overs.
Jayden Betts 3 not out.
Mitchell Henderson 2/2 off 3 overs.
Jack Dawson 3/1 off 3 overs and Oliver Greentree and Ryan Stewart also picked up wickets.

The boys will face Oxley Vale or Tamworth South in the next round.

Congratulations to the following girls who have been selected in the PSSA Girls Cricket Team

Lara Graham
Safia Arranz
Isabella Cameron
Maya Olrich
Jasmine Olrich
Breanna Elliott
Sophie Corbett
Pilan Fitzpatrick
Nellie Palmer
Sienna O’Mally

MATHS CORNER

Year 6
This week in Maths we have been learning about Roman Numerals. We have also begun learning about Data. We are learning to construct and interpret different graphs.

Lauren Bowman

Years 3 & 4
The students in Years 3 and 4 are learning different ways to add numbers. They are using strategies like the jump and split strategy. It is certainly challenging the students to think about other strategies that might help them add numbers. The students in Year 3 are using number lines, rulers, counters, whiteboards and even themselves to help understand these strategies.

Kirsty Coombes and Kristine Sharkey

Kinder Red
In Kinder Red we have been having fun learning to count on. We have been using blocks and beads to compare two numbers to work out which number is bigger. We have then been counting on to find out how many more we need to get to the bigger number.
