THANK YOU NEMINGHA STAFF

What a fabulous staff we have at Nemingha. It was with great enthusiasm and laughter that the staff joined together last Monday to create and hang a display of Nemingha Public School student work up on the wall in the pavilion at the Tamworth showground. It is the children’s work and we were proud to display their art work etc for all to see. These things take time and organisation. Just another example of the extra effort our staff make in their own time to ensure our students have every opportunity. Well done!

We also thank the volunteers in the pavilion for hanging the individual entries in their relevant sections. Volunteers are invaluable resources for much of what happens in every town across Australia. We commend them for the time and effort they put into the success of the Tamworth Show.

THANK YOU MR CORNEY

Thank you to Noel Corney for donating a copy of the NDL to each Kindergarten student last week. What a lovely gesture!

Congratulations to our girls cricket team who once again have progressed through to the regional final of their State PSSA Knockout competition.

The girls played Sir Henry Parkes from Tenterfield last week and had an easy victory. Nemingha bowled Sir Henry Parkes out for 36 in the 20th over and chased down the total in the 8th over. Staring with the ball and taking player of the match honours was Bella Collier, who returned the figures of 6-1 off 4 overs. She was supported by our other wicket takers; Deni Baker, Lara Graham and Maya Olrich.

With the bat Lara Graham got 17 N.O. and Safia Arranz got 7N.O. The girls will now play the winner of Narrabri West and Tamworth South in the regional final. Best of luck girls.

Last Friday afternoon, the Tamworth Zone Boys and Girls Soccer trials were held. Successful Nemingha students were Thomas Haling and Jayden Betts in the boys side and Lara Graham, Isabella Cameron, Sienna O'Mally and Deni Baker in the girls side. These students were to attend Gunnedah on Friday for the Southern trials. As these trials were cancelled, the girls will now play at Armidale on Friday 4th April.

If you have any sporting news that I have missed please send it to david.c.lewis@det.nsw.edu.au and I will endeavour to include it in our newslink.

What’s Cooking in the Canteen

Volunteers for next week are Monday 31st March Sharon Brown, Michelle Lane; Friday 4th April Nanna Margaret

Meatlovers pizzas are available until the end of Term 1 in addition to Ham & Pineapple. Simply mark on your bag which you would prefer. Pizzas cost $3. As a special until the end of Term 1, if you would like cheese added to your hotdog, we will do at no cost!

FOOD FACT FOR THE WEEK; Why is broccoli good for kids? Some children call broccoli ‘trees’ and they certainly help us grow as they contain many different vitamins. Broccoli comes top of the healthy veggie class and even a small piece (just 50 grams), will give you a whole day’s vitamin C, now that’s important for healthy gums and teeth! Add finely sliced broccoli into your bolognaise sauce or add to your stir fries!
